развитие внимания;

развитие умения понимать смысл и основную идею текста;

развитие творческого мышления.

Воспитательные:

воспитание лингвистической компетенции учащихся и их познавательной активности;

время	Этап урока	Деятельность учителя	Деятельность учащихся
		I. Организационный этап	
3 мин	Приветствие	Приветствует учащихся: "Good morning, children! I'm glad to see you .Sit down, please What date is it today? What day of the week is it today? What is the weather like today?	Ученики отвечают на вопросы и описывают погоду: "The weather is fine. It is not very cold today. The sky is grey. The sun is not shining. There are many clouds in the sky. It is not snowing. It is not raining. It is windy, but the wind is not strong. It is winter now, so the trees and bushes are bare."

	II. Основной этап					
5	1. Прогнозирование	 Do you trust the weather forecast? How often do the weathermen get it right? Do you feel different because of weather? How do different types of weather affect your emotions? How do you deal with rain? Do you use an umbrella or a raincoat? Or just ignore it? What month gets the most rain in your country? Which region of your country has the best weather? What is it like there? What's the average temperature in your country in the summer time? in the winter? Is snow common in the place where you live? How do you feel about it? 	Ученики отвечают на вопросы и высказывают свои предположения относительно содержания рассказа.			
		 8. Would you rather live somewhere that is dry and hot all year round or in a place that has clearly different seasons? 9. Can anyone you know predict weather changes? How accurate are their predictions? 10.Is the weather a good topic for a small talk? If not, what topics do you prefer? 11.The sun can be dangerous. Do you burn easily? Have you ever been seriously sunburned? 12.Do you worry about global warming? How serious are the earth's 				

	environmental problems?	
	Well, boys and girls, according to my questions and the title of the	
	story can you give your ides of the plot of the story ?	
 Формирование навыков 	 Now listen to the story and say whether you are right or not Listen to the text again and put in the missing words.
